**Sani** takes the lead once again with a fantastic move that will leave the competition standing. From 2018 all our younger guests will enjoy the opportunity to train with **Chelsea FC Foundation**, the 2017 Premier League champions and one of the world's leading football clubs. It's a fabulous chance for them to improve their soccer skills with the professionals - and just another way in which Sani adds value to a family holiday.

Any budding premiership players aged 4-16 years can join in the training at our **Chelsea FC Foundation**. It offers an outstanding football development programme with a UEFA-approved football pitch and a state of the art Club House. There will be training camps held five days a week that promises lots of active fun for children of ALL abilities under the careful eyes of professional coaches. They'll cover skills from dribbling to shooting, as well as organising five-a-side games and is a great way for kids to make new friends and learn to work as part of a team.
